Kent County 4-H Horse Program Sponsorship

The 4-H Experience...

The letter "H" in 4-H represents: *head, heart, hands* and *health*. Throughout the year, the 4-H organization offers experiences centered on these four building blocks. By participating in club meetings, performing community service, conducting fund-raisers, and being active in the Youth Fair program, young people develop skills that have a life-long impact on who they are and what they may contribute to society as an adult. We foster responsibility, independence, self-esteem, community pride and a respect for fellow man and animals. Membership in a 4-H program offers a wholesome extracurricular activity that cultivates healthy minds and bodies and provides young people with positive role models.

Supporting Youth Development...

Each day hundreds of young people participate in special activities and educational programs sponsored in part by individuals like you. As a result of such sponsorships, the Kent County 4-H Horse Leaders have the ability to provide opportunities for personal development of children in our local communities.

More Than a Tax Write-Off...

Your sponsorship is a tax write-off donation to the Kent County Horse Leaders. Your name will be proudly displayed in our Horse Program for all our families and members to read and your name will be announced at the classes and/or awards you have chosen to sponsor.

Deadlines...

We will gladly accept your sponsorship at any time. As long as your form and payment are turned in before your chosen class begins, we will gladly announce your sponsorship! However, if you want your name **printed in the program** it must be turned in by **June 1**.

THANK YOU!

The Kent County Horse Leaders THANK you for your generous support! Your involvement affects what 4-H means to our young people. They experience a positive, family-oriented atmosphere at the Kent County Youth Fair whether they are directly associated with a 4-H club or simply a visitor at the fair. Together we are teaching these young people to be a giving generation! Again, we thank you for making the choice to become affiliated with the Kent County 4-H Horse Association as a sponsor for our Horse Program!
