

KENT COUNTY HORSE PROJECT

DOUBLE STALL REQUEST

Because stall space is limited, please make this request only if the well-being of your horse is compromised because of a chronic health, behavioral or size issue that would only be alleviated with a double stall. Issuance of a double stall is not to be considered a substitution for the time you must take to exercise your horse throughout the day to keep the horse comfortable.

Review and decision will be made by the Fairboard. Requests will be considered but not guaranteed. All approvals will be based on availability and an additional non-refundable fee of \$50 will be assessed. **DEADLINE FOR SUBMISSION IS MAY 1ST** (or the **May** Horse Leaders Meeting).
