Extension Office: Glenda Kilpatrick - Michigan 4-H is changing to a new on line enrollment system called 4-H Online. Glenda handed out a booklet on how to create a family page on the new system. It is important that 4-H club leaders register before the youth members register. Even though we submitted membership forms on paper this year, she would like everyone to do the online version, as that is how it will be done next year. The new system will allow 4-H club leaders to manage their club online and will eventually do away with paper forms! If you have problems or questions, please contact Kent 4-H PC Nicole Grabowski., Nicole's e-mail is, grabow36@anr.msu.edu and her phone # is (616) 630-7080.
